Launched in the mid-90s, the Sea Pro Citation 22 has consistently been praised for its solid construction and functional design, maintaining a revered status in its class for performance, comfort, and durability.

The interior of the Sea Pro Citation 22 is thoughtfully designed to maximize comfort and utility. The ski-pole and bathing platform extend the boat's versatility, catering to both sport enthusiasts and leisure seekers. The protective gear includes a full cockpit cover and an all-encompassing winter cover, safeguarding your investment against the elements.

The boat's mobility is enhanced by the inclusion of a road trailer, providing flexibility in your aquatic adventures. It has also received a beneficial antifouling treatment for prolonged underwater protection. Moreover, the possibility of securing a berth at the picturesque Deganwy Marina adds to its allure.
