BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Butty Lark, a beautifully crafted 58ft semi-traditional narrowboat that blends timeless charm with modern functionality. Built with precision by Reeves and thoughtfully fitted out by Reading Marine, this 1998 vessel is perfect for anyone seeking a cosy retreat or an adventurous home on the water. From stern to bow, the boat offers a practical and elegant layout, ensuring comfort and versatility for extended journeys or residential living.

As you enter the galley, you'll find a well-equipped kitchen that invites culinary creativity. The Vanette oven, 4-ring gas hob, and 12V fridge provide all the essentials, while the ample storage cupboards ensure your space stays organised. Whether preparing a hearty meal or enjoying a cup of tea, the galley's thoughtful design makes it a pleasure to use.

The saloon is the heart of the boat, exuding warmth and relaxation. A multi-fuel stove provides a cosy ambiance, complemented by the inviting 3-seater sofa bed. Whether unwinding with a book, watching TV, or listening to the radio, this space adapts to your mood. Corner storage keeps essentials close at hand, while double doors open onto the front well deck, creating a seamless flow between indoor and outdoor living.

In the master bedroom, comfort takes centre stage. The large cross bed invites restful nights, complete with overhead reading lights for convenience. Beneath the bed lies ample storage, and the surrounding wardrobes provide plentiful space for all your belongings. This tranquil haven is designed to make every night on the water feel luxurious.

The bathroom offers a perfect blend of practicality and style. A hip bath with a thermostatically controlled shower provides options for both relaxation and efficiency. The sink, set in a sleek vanity unit, adds a touch of elegance, while the compost toilet offers an eco-friendly solution. For those who prefer, the pump-out system remains available for added flexibility.

Throughout Butty Lark, the wooden interior creates a warm and inviting atmosphere. Strategically placed windows allow natural light to flood the living spaces, enhancing the cosy charm and ensuring a bright, airy feel. This beautifully maintained narrowboat promises a unique lifestyle on the water, offering comfort, practicality, and timeless appeal.
