BOAT SALES

LAKELAND LEISURE ESTATES

Description

Welcome aboard Doody Toot, a 57ft traditional stern narrowboat that offers a blend of classic craftsmanship and modern comfort. Built in 2007, this vessel features stylish steelwork by the renowned Tim Tyler and has been meticulously fitted out by Howard Boats. While the exterior could benefit from some TLC, the interior remains in excellent condition, offering a welcoming and cosy space for life on the water.

Having just been blacked and receiving a new Boat Safety Scheme (BSS) certificate in September 2024, Doody Toot is in prime condition to set sail. Powered by a reliable Beta Marine 43hp engine with only 760 hours, this boat is barely broken in and promises many adventures ahead. Whether you're looking for a long-term continuous cruiser or a full-time liveaboard, Doody Toot is perfectly equipped for both lifestyles.

The interior boasts a well-appointed galley with twin stainless-steel sinks, a free-standing 4-burner gas cooker with a separate oven and grill, a 12v fridge, a full-size washing machine, and a microwave. The solid wood worktops, cupboards, and drawers provide ample storage space for all your culinary needs.

In the saloon, you'll find a versatile 3-seater sofa that easily converts into a double bed, a Morso Squirrel solid fuel stove for cosy evenings, and a TV with a DVD player for entertainment. The two glazed wooden doors lead out to a spacious cratch-covered well deck with seating and storage lockers, offering the perfect spot to relax and enjoy the scenery.

The dining area features a solid wood table and two comfortable chairs, creating an inviting space for meals. The full-size fixed double bed in the bedroom is complemented by a large wardrobe and high-level storage cupboards, ensuring you have plenty of room for all your belongings.

The walk-through bathroom is elegantly designed with a large mosaic-tiled quadrant shower with two glazed sliding doors, a raised ceramic bowl wash basin set over a solid wood vanity unit, and a ceramic pump-out toilet. Additional storage throughout the boat adds to the convenience and functionality of this well-thought-out space.

Doody Toot is a narrowboat that truly stands out, offering a comfortable and stylish living experience on the water. Don't miss the chance to make this exceptional vessel your home or your next adventure on the waterways.
