Step into a world of timeless elegance and serene comfort with the Lockhart, a meticulously crafted 47ft cruiser stern narrowboat. Built in 1990 by the renowned T.T. Marine, this vessel embodies the charm and character of traditional narrowboat design, with a warm, inviting interior that features rich wood panelling throughout and beautifully contrasting blue tile accents. Perfectly suited for extended cruises or tranquil weekend escapes, Lockhart offers a spacious and well-thought-out layout that ensures every journey is both comfortable and memorable.

Begin your journey at the expansive cruiser stern, an ideal outdoor space for enjoying the fresh air and scenic views as you glide through tranquil waterways. This area is perfect for socializing with guests, savouring a morning coffee, or simply soaking in the beauty of your surroundings.

Entering the cabin, you're welcomed by a cosy double bunk nestled in the rear section of the boat. This sleeping area is designed with comfort in mind, offering a restful haven after a day of exploration. The natural wood finish enhances the warmth and homeliness of the space, making it the perfect retreat for a peaceful night's sleep.

Just forward of the bunk, the shower area provides a modern, refreshing space to unwind. The thoughtfully designed shower is both functional and stylish, ensuring you start each day revitalized. The blue tiles add a touch of elegance, reflecting the calm and cool tones of the surrounding waters.

Moving further into the boat, you arrive at the intimate and inviting bedroom. The rich wood panelling creates a warm, soothing atmosphere, making it an ideal spot to relax and recharge. This room is a sanctuary of tranquillity, where the gentle sway of the boat lulls you into peaceful slumber.

As you proceed towards the bow, the fully-equipped kitchen unfolds, showcasing a perfect blend of traditional design and modern amenities. Whether you're preparing a simple meal or a gourmet feast, the kitchen provides ample space and functionality. The deep blue tiles beautifully complement the wooden cabinetry, creating a visually pleasing environment that inspires culinary creativity.

Finally, at the bow of the boat, the lounge and dining area welcome you with open arms. This spacious and versatile area is bathed in natural light, making it the heart of the boat where you can entertain, dine, or simply relax with a good book. The combination of warm wood tones and cool blue tiles creates a cosy, yet sophisticated ambiance that invites you to sit back and enjoy the slower pace of life on the water.
