Description

Discover the epitome of luxury and craftsmanship with our latest masterpiece – the 57ft Semi Cruiser Stern by JD Narrowboats. This stunning vessel is a symphony of unparalleled elegance and meticulous design, distinguishing itself from ordinary narrowboats. Every inch of this boat has been thoughtfully crafted, boasting a 100% solid oak fit-out that elevates it to a class of its own. JD Narrowboats prides itself on delivering excellence, and this cruiser stern is no exception. From the carefully selected materials to the precision in construction, this vessel promises an extraordinary journey on the water.

As you step aboard, you are immediately greeted by the sophisticated ambiance of the contemporary reverse layout. The heart of this vessel is its fully equipped kitchen, where luxurious quartz worktops and a convenient breakfast bar stand out. Imagine preparing gourmet meals while enjoying panoramic views of tranquil canals or scenic rivers. The kitchen space is designed not just for functionality, but also for aesthetic pleasure, making it a delightful area for culinary exploration and social gatherings.

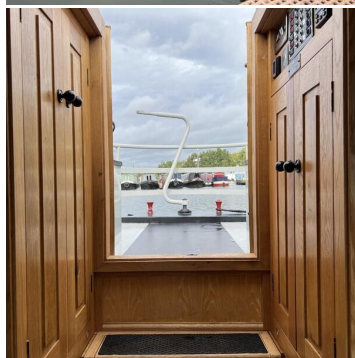

The interior of the narrowboat radiates warmth and comfort. The wood-burning stove, with its gentle crackling fire, provides a cosy atmosphere that beckons you to unwind and relax. The engineered oak flooring throughout the boat adds a touch of rustic charm, complemented by the exquisite solid oak fit-out. This combination of materials exudes a sense of timeless elegance, making the interior both inviting and luxurious.

Powered by a reliable Beta Marine engine, the 57ft Semi Cruiser Stern ensures a seamless and efficient cruising experience. Whether you're navigating through serene waterways or exploring more challenging rivers, this vessel's performance is unparalleled. The engine, coupled with the PRM 150 gearbox, offers smooth and powerful propulsion, giving you the confidence to embark on any adventure. The boat's spray foam insulation ensures optimal temperature regulation, making every journey comfortable regardless of the weather.

The attention to detail extends to every corner of this narrowboat. The lighting is meticulously planned, with LED fixtures throughout, including under gunwale lighting that creates a soft, ambient glow. Exterior lighting on the stern and bow decks ensures safe navigation and enhances the boat's elegance at night. The bathroom features tiles that add a touch of modernity and practicality, while the rest of the boat is adorned with painted birch ply above the gunwale and ceiling, adding to the overall refined aesthetic.

This narrowboat is freshly minted and comes with comprehensive warranties, offering you peace of mind as you embark on your aquatic escapades. All tax obligations are fully settled, ensuring a hassle-free ownership experience. Seize the opportunity to transform this splendid vessel into your own waterside haven. The allure of the 57ft Semi Cruiser Stern is undeniable, and the first to witness its charm will surely be tempted to make it their own. Don't miss the chance to own a piece of aquatic luxury – act swiftly and be the captain of your own adventure.

Explore the details, envision the possibilities, and let the JD Narrowboats 57ft Semi Cruiser Stern redefine your narrow boating experience. This vessel is not just a boat; it's a testament to the finest in nautical design and craftsmanship, promising an extraordinary journey and a luxurious lifestyle on the water.
