Description

Step aboard the Peter George, a 70ft widebeam built in 2019, offering an exceptional blend of space, style, and functionality. Designed for those who seek luxury living on the water, this boat presents a beautiful modern interior filled with high-end features. With 2 double bedrooms, 2 bathrooms, and abundant storage throughout, Peter George is perfect for comfortable long-term living or weekend getaways. The interior is bathed in natural light through double-glazed windows, while carpets and wooden flooring create a warm, welcoming atmosphere. Whether you are unwinding in the saloon or soaking in the jacuzzi bath, this boat offers all the comforts of a stylish home.

The heart of Peter George lies in its impressive galley, designed for those who love to cook and entertain. The central island, complete with a Smeg 4-ring hob and extractor fan, is ideal for preparing meals, while the breakfast bar with stools provides a casual dining space. High-end Smeg appliances, including a fridge, freezer, wine cooler, dishwasher, and oven, make this kitchen both functional and luxurious. The Hoover washer/dryer, seamlessly integrated into Onex worktops, adds to the convenience of this well-thought-out space.

In the lounge, you'll find a cosy retreat centered around a Bubble Diesel stove, surrounded by custom-built shelving and storage. The soft carpeting underfoot adds a sense of warmth, making it the perfect place to relax after a day of cruising. The large space allows for easy customisation, giving you the freedom to create your own personal sanctuary. The master bedroom continues this theme of luxury, featuring a king-size bed, double mirrored wardrobes, a pop-up TV, and steps leading directly to the bow for quick outdoor access. Every detail has been thoughtfully designed, from built-in bedside units to an abundance of storage solutions.

The second bedroom offers versatility with a double bed, a desk with drawers, and two large wardrobes. Whether for guests or additional family members, this room provides ample space and comfort. Both bedrooms are serviced by a beautifully designed bathroom, where a pump-out toilet, quadrant shower, and jacuzzi bath await. The large mirror and stylish vanity unit complete this luxurious, spa-like space.

The Peter George is more than just a boat—it's a lifestyle. Built by Collingwood with attention to every detail, it features an inviting outdoor area for relaxing and enjoying the peaceful waters. Whether cruising or moored, Peter George offers a sanctuary of modern living in a clean, sophisticated design.
