LAKELAND LEISURE ESTATES

Schmupps - Cruiser Stern

Price: £49,950

Key Features

Berths:	4
Length & Type:	44ft Cruiser Stern
Year:	2010

Description

Step aboard Schmupps, a 44FT Cruiser Stern narrowboat that redefines river cruising with its blend of luxury and practicality. Moored at the picturesque Shakespeare Marina in Warwickshire, this boat is perfectly positioned for those wishing to explore the historic and scenic routes of Stratford-upon-Avon and beyond.

At the heart of Schmupps lies a robust Barrus Shank 35hp engine paired with a Shanks MA100A gearbox, showing a well-used but meticulously maintained 1227.5 hours of operation. The last service, recorded on 06.09.23, ensures that this vessel is in peak condition for its new owners.

Designed with comfort and versatility in mind, Schmupps offers sleeping arrangements for four via its 2 + 2 berths configuration. Whether for a couple seeking a getaway or a small family adventure, this boat promises cosy nights and serene mornings on the water.

Safety and maintenance are paramount, as evidenced by its up-to-date Boat Safety Certificate (BSSER-445292/22) and the last blacking with Bitumen on 20.07.22. An inspection hatch in the engine bay facilitates easy upkeep, adding to the vessel's appeal for those looking for a hassle-free ownership experience.

The onboard amenities include a 240v electric supply via a Victron for shore power, complemented by a Webasto thermo top C heating system to ensure comfort throughout the seasons. A Calorifier (Twin Coil) provides hot water, adding a touch of home comfort to life on the water.

A well-appointed kitchen features a Spinflow Country Leisure Oven and Hob, alongside a 12v Indel fridge, ensuring that dining aboard is both a pleasure and a breeze.

The living space is adorned with an L-shaped banquette that effortlessly converts into a double bed, paired with a fold-away table and an LED TV, blending functionality with relaxation.

The bathroom offers a macerator toilet, standalone sink, vanity unit, and shower, ensuring that all your needs are met with convenience. The master bedroom is a haven of tranquillity, boasting a double bed with overhead cupboards, a wardrobe, under-bed storage, and more, making it an ideal retreat after a day of exploration.

Nestled in the newly built Shakespeare Marina, Schmupps enjoys a serene setting with the option of a mooring. Notable features include a water tank capacity of 450 Litres, a fuel tank capacity of 300 Litres, and a thoughtful inclusion of all kitchen items on board. Despite the non-functional fuel and water gauges, these levels can be manually checked, ensuring peace of mind during your journeys.

Schmupps is not just a boat; it's a promise of adventure, tranquillity, and unforgettable memories on the water. With its compact size, meticulous maintenance, and array of features, this vessel is ready to welcome its new owners to the joys of boat life.
