BOAT SALES

LAKELAND LEISURE ESTATES

Description

Introducing Steel Aweigh, a 60ft Semi-Traditional narrowboat, now available as a project boat with plenty of potential for transformation. Recently painted by the current owner and fitted with top-quality covers from Kinver Canopies, they've invested thousands in her exterior.

While she is a non-runner, with most of the internal fittings removed, this offers the perfect blank canvas for a narrowboat enthusiast or renovator looking for a rewarding project. Please note, the engine issue remains unknown, making this an opportunity to customize and rebuild the boat to your own specifications.

If you're ready for a hands-on project and can see the potential in Steel Aweigh, she could be your next exciting venture!
