ABOUT THIS BOAT

This elegant, sporty walk-around style cabin boat with a generous cabin and enclosed toilet compartment makes weekends away on the water a reality. A great water sports, fishing platform or practical family cruiser with great design features throughout. The large, extended sun-pad up front is the focal point of the boat and provides a sociable and comfortable platform from where you can enjoy the 730 to its full potential. In the cockpit you will find a large aft bench seat which has the ability to convert into a second sun bathing area with the use of cockpit inflat cushions. Coupled with the two bolstered and height adjustable captain and co-pilot seats means that everyone on board is able to ride in safety and comfort. Intelligently designed and manufactured with a deep V hull that provides comfort, control and economy at both high and low speeds. Down below is the 730's jewel in the crown with large comfortable convertible seating area with table cupboards counters and fridge. This boat is not just an over-nighter but a spacious cabin boat with genuine ability to stay in comfort for a weekend. In stock.
