Pump out tank capacity: 318 Litres

Fuel tank capacity: 250 Litres

Midnight is a very high-quality narrowboat with a hull by highly respected G & J Reeves, she swims as good as she looks. Equipped to highest specification with a Beta Marine 50hp Engine with only 1,405 Hours (barely run in), Also has Dometic 3.5KW Travel Pack so Well Suited for Continuous Cruising as a Live Aboard or Long-Term Cruiser. Would benefit from some TLC externally and a little Modernisation internally after which Midnight would Once Again be a Very Fine Narrowboat.
